Launch of Online Reservation System

The Parks and Recreation Department is pleased to announce the launch of WebTrac, the new online reservation system. WebTrac allows for online reservations for camping at Kerrville-Schreiner Park, park amenity rentals, activities and more.

“We have been very pleased with the in-office software which was implemented two years ago and have been looking forward to the integration of the online reservation portion.”, stated Tina Morales, Office Manager, “Customers can now make a camping reservation or register for a program online without having to come into our office. This is a great convenience and time saver for our new and existing customers”.

WebTrac went live on January 3rd and has already begun to be utilized. Access to the site is through the main Parks and Recreation page on the City website at www.kerrvilletx.gov.

For more information, please call the Parks and Recreation Department at (830) 257-7300 or visit our website at www.kerrvilletx.gov.
